

# Knitted One-Piece Feelie Heart Pattern

*A Knitting Kindness Project™ Designed to Knit and Give with Love*  
from the authors of *The Knitting Way*

## Important Notes

Short rows (turns according to *Wrap* instructions) create the heart "lobe" shaping.

*Wraps* avoid holes in fabric on short rows.

**Wrap:** Yarn to front, slip next stitch, turn, yarn to front, slip stitch (this "wraps" stitch)

♥ **Always** work wrap *with stitch* when you come to a wrapped stitch, as follows:

*On a Knit stitch:* lift wrap onto needle from front then Knit wrap tog. with stitch through back

*On a Purl stitch:* lift wrap onto needle from back then Purl wrap tog. with stitch through front

When you see the ♥ at the beginning of a step, watch for wraps!

Knit with *any weight of yarn* with appropriate size needle. This will determine the heart size.

Increase (Inc) by knitting in front and back of stitch
